

Descendant Registration Form

Descendant registration is available to the lineal descendants (e.g.,the children, grandchildren, great grandchildren, etc.) of The Eyak Corporation (TEC) shareholders who do not own TEC shares. Registration allows TEC and The Eyak Foundation (TEF) the opportunity to communicate with descendants on items of potential interest and assists TEF in making eligibility determinations. The information provided will remain confidential and used only for TEC and TEF purposes, unless otherwise approved by the applicant.
